

Position: Crisis Director

HMS is hiring for a Crisis Director. The Crisis Director will work under the direction of the Chief Behavioral Health Officer (CBHO) to oversee therapists, counselors, and ancillary clinical teams, including outside consultants, as part of the HMS crisis services programs.

Key Responsibilities:

- Provide administrative and clinical oversight and support to clinical crisis services providers.
- Conduct peer reviews as part of the quality improvement process.
- Assign caseloads and groups effectively.
- Collaborate with supervisors to apply clinical programs and protocols.
- Ensure excellence in service delivery and maintain compliance.
- Cultivate a professional culture sensitive to community needs, aligning with the HMS Mission, Vision, and Values.

Required Qualifications:

- Must be a Psychologist (PhD or PsyD), Advanced Practitioner (PMHNP or FNP), or independently licensed Mental Health Therapist (LCSW, LPCC, LMFT).
- At least one year of experience in a supervisory role.
- Minimum of two years of experience in the behavioral health field.

Preferred Qualifications:

- Experience in business administrative roles.

If you are passionate about making a difference in the field of behavioral health and meet the above criteria, we encourage you to apply for this exciting opportunity. Your career can start today at HMS. <https://hms-nm.org>
